

Student Code of Conduct

Rights, Responsibilities and Consequences

The Wodonga Way

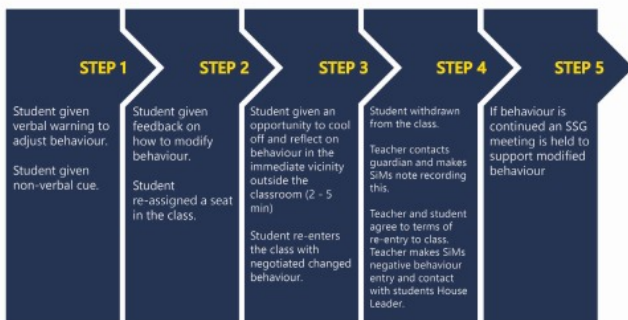

Each classroom has a list of expectations for students in all classes. These are the minimum requirements for students to support our positive learning environment.

The Student Rights and Responsibilities Booklet also outlines the College rules and expectations both in and out of the classroom

Should students feel they need extra support in dealing with the code of conduct, they should not hesitate to seek it through the following avenues:

- Their GP teacher
- Their House Leader
- A trusted teacher
- A member of the wellbeing team
- One of the Assistant Principals

The following steps will be taken by the teacher should students fail to meet expectations

Wodonga Senior Secondary College

Every Student, Every Opportunity, Success for All
