PRINCIPAL'S REPORT

Opening of the Flexible Learning Centre

Richard Bolt Secretary of the DEECD officially opened the Flexible Learning Centre (FLC) on Wednesday last week. Thank you to everyone involved. To Huw Derwentsmith and the FLC team, to Steve Garro and Belinda Wilton and the Hospitality team who provided the food and to everyone else who had a hand in making it such an outstanding success. Richard Bolt, Sonia Sharp and Peter Greenwell greatly appreciated being invited and spent about double the time allocated talking to students and teachers about what they were doing. They were greatly impressed by what they heard.

Opening of Student Art Exhibition - Kaleidoscope

A sincere thank you to Bianca Acimovic, Curator of Visual Arts at the Albury Gallery for officially opening the exhibition on Friday night in the Library. The calibre of the work is exceptional. On display is work representing all facets of the Arts Faculty. The facilities represented include; Year 12 Art (General), Studio Art (Photography), Visual Communication and Media. Students work, along with their folios become part of their submission of work for their final assessment.

Congratulations to all the students and their teachers Alicia Wall, Mike Dow, Jenny King, Lorraine Mitchell, Michael Rosenbrock, and Eric Saros for assembling the exhibition. Thank you also to the VET Hospitality students and staff for catering this evening. Finally thank you to the Administrative and Library staff for their support.

The College has chosen two students artworks to add to our collection. They are: Molly Hodgson and Sarah Street.

Year 10 Formal

Friday 5th December

Last Day for Year 10 & 11
Year 10 & 11 Presentation

Monday 8th December

Parent/Teacher Interviews
4.00pm - 8.00pm

YEAR 10 & 11 THE WORK CONTINUES

A letter to parents will be forwarded this week outlining the program between now and the end of the year. It includes important information about exam timetables and the importance of the Head Start program in preparation for next year.

It is important that students fully understand what is required for them to successfully complete the year. Students are encouraged to use their time profitably over the next five weeks.

Head Start is an important part of the preparation for 2015. Students are expected to be at the College for the entire two weeks. Meaningful work will be provided and students should leave at the end with a clear understanding of what will be required in each subject.

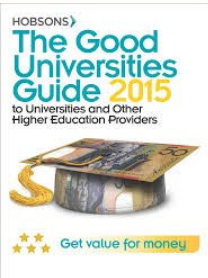

CAREER NEWS

THE GOOD UNIVERSITIES GUIDE

Did you know that when universities boast about their national and world rankings, the results are mainly focused on their post graduate research. How do you know which universities rank highest for undergraduate student satisfaction? The Good Universities Guide measures this and will give you an indication of performance in areas such as student perception of teaching quality, graduate student salaries, and overall satisfaction.

The Guides aims to assist young people to make informed decisions about university study in Australia and it contains information about what a degree is, what you can study and where, independent 5 star ratings and comparisons of courses and providers. To access the information online, go to:

www.hobsonscoursefinder.com.au/

AUSTRALIAN APPRENTICESHIP PATHWAYS

This site is for anyone who is interested in learning more about apprenticeships and traineeships. You will be able to explore the types of apprenticeships/ traineeships available and find local apprenticeship centers near you. To explore the site, go to www.aapathways.com.au

THE JOB GUIDE

This book provides comprehensive information on hundreds of occupations. For each occupation, you can find out what you do on a day to day basis, what school subjects you need, where you can study courses related to the occupation and state specific information. It is an excellent guide for young people and their parents. Go to:

<http://www.jobguide.thegoodguides.com.au/>

COSMOS: KICK START YOUR CAREER

The editors of COSMOS developed a guide for students covering a wide range of career areas. Kick Start Your Career shares inspiring career success stories from graduates, reviews major career growth areas for jobs of tomorrow and shows you how to gain critical skills to forge your pathway to the future. To download your free guide, go to <http://oxleylearning.org/careers/files/2013/05/Cosmos-Careers-Guide.pdf>
