PRINCIPAL'S REPORT

Demolition building works

Over the past two terms we have seen the demolition of the old grey brick building on Woodland street. This building was used for Science, English/ humanities, Mathematics, IT and Hospitality classes along with Administration. Shortly after the 'Back To' reunion last year the demolition process began and hopefully completed within the coming weeks, making way for new sporting facilities.

Students Personal Property

Please stress to your child that they should not leave items of value in their lockers overnight. Should items be taken, the College does not have insurance to cover the theft of or damage to personal property. It is recommended that items of value/sentimental value not be brought to school.

Paul McMullen

TREES ADVENTURE

At 5:20am, Friday the 13th February thirty-five students set off for a massive day at the Trees Adventure Belgrave. With a stop at Yea for a snack at the Bakery and a wake up drink we arrived at Belgrave at 10:15am. The students were fired up for today's adventure, they were split into two groups to learn the system and learnt how safe the activity was, once they had finished the little learning activity they were free to start, students flew through the blue and red activities and some ready to face the hardest colour, being black. It was great to see how many students pushing themselves through the hard activities and obstacles and never giving up. Some students were also giving the opportunity to use the schools Go-Pros, now able to relive the day. At the end of the day Mr. Smith had to stand in front of the entrance of the activities to stop the students from continuing as our time was up. The students raved about how fun the day was and were very quiet on the trip home. Thanks to Mr.Bridgeman, Mr.Smith and Mr.Miles for making the day happen.

CAREERS NEWS

UMAT Simulation Day

Students in Year 12 interested in applying for medicine, dentistry, or optometry will need to sit the compulsory UMAT examination. National Institute of Education (NIE) will be conducting a UMAT preparation workshop on Saturday 7th March at St Vincent's Hospital, Melbourne from 9am to 5:30pm. Students in years 10 and 11 can also register, but it's important to note they cannot sit the UMAT until they are in Year 12. Spaces are limited. Please register at: www.nie.edu.au

Short courses in arts at RMIT

RMIT offers an array of short courses and single courses taught by experienced lecturers and established artists. Courses include photography, drawing, lithography, sculpture, jewelry, casting and modeling etc. RMIT also offer folio preparation courses for VCE students. For more information, go to: www.shortcourses.rmit.edu.au/
