

SENIOR NEWS

Every Student, Every Opportunity, Success for All

PRINCIPAL'S REPORT

Athletics Carnival

When: Wednesday March 18th 9:00 am start to 2:30pm

Where: Wodonga Athletics Track

What: Along with the traditional track and field events there will be a range of novelty events including the tug of war, tyre and noodle relay and the fashions on the field.

Transport: Students are asked to meet at the Wodonga Athletics track, however a shuttle bus will run from the College to the track and back at the end of the day.

Remember: Hat, sunscreen, drink bottle

Remember, it's not the winning that's important, but the taking part.

I'm looking forward to a great day of participation, encouragement and competition in a range of events.

Principal*

2015 SCHOOL COUNCIL REPRESENTATIVES

Following the close of nominations, congratulations to David Whitehead and Tim Bennetts on being elected unopposed as DET representatives for our school council with Jacob Mildren and a year 11 student (to be named) will be the student representatives on the School Council for 2015. New parent representatives on the council are Sheryl Murdoch and Peter Willcox, with Ron Mildren being re-elected unopposed. The next council meeting is scheduled for Monday 23rd March.

*John McVean
Returning Officer*

MULTICULTURAL DAY

The College held a Multicultural Day on Thursday 12th March, this saw students and staff celebrating the Colleges multicultural community. Throughout lunch students were able to purchase foods from many different cultures and participate in a basketball game organised by students on the basketball courts. After lunch, students and staff shared their experiences of spending time overseas and what they thought of other cultures.

Following the whole school assembly students were able to participate in a range of activities, these included an African drumming workshop with Dax Mathews, Japanese Origami making, Aboriginal artwork with local artist Darren Moffitt and a staff vs students soccer match on the oval.

Luna Park Physics Excursion

On the 6th of March, twenty-five young and adventurous future physicists took off on their mini bus to test out the physics of Luna Park. The race was on once we got there to make sure that no rides were left untested. From racing dodgem cars to spinning upside down there was no doubt that everyone had a great time (for the record, yes we had worksheets to complete too!). Thanks to Mr. Rosenbrock and Ms. Gregotski for 'supervising' us and to Nick for filming all our adventures. A Video from the event can be found on the Colleges Facebook page. [Video Found Here](#)
