PRINCIPAL'S REPORT

End of Semester 1

At the conclusion of this semester, reports will be distributed to students on Wednesday 24 June. The last parent teacher, student interviews will be conducted on Thursday 25th June following the distribution of the semester reports. Parents and students are asked to reflect on the comments made in the reports as this is valuable feedback and will assist the student as they begin semester 2. If you are prepared even a short meeting can be productive. Keep a list of questions you want to discuss with the teacher.

- If you wish to discuss specific pieces of work, take them with you to the meeting
- Bring your child's most recent report
- Ask your child if there are any matters they would like to be discussed
