Every Student, Every Opportunity, Success for All

PRINCIPAL'S REPORT

Subject Expo Wednesday 12th August

Following the Year 9 Parent Information Night held last week, we are now preparing for the subject Expo which will be held on Wednesday the 12 August 6pm to 8pm in the foyer of the Trade Training Centre.

The one on one discussions with students and parents about subjects, courses and pathways are essential to assist students in planning their educational futures. Because we offer so much choice to students it is becoming increasingly difficult to speak globally about everything that is possible and available to our students.

Parent Information Evening

Last Thursday evening a very successful parent information night was held specifically for current Year 9 students but we will also welcome a number of parents and students who are interested in enrolling for 2016. Two very well attended sessions were held in the Lecture Theatre and school tours were conducted by members of the Student Leadership Group. Thank you to Tim Bridgeman and David Whitehead for organising the night and to all staff who contributed.

If you missed the year 9 into 10 transition information evening, the full presentation can be viewed on the College website: <http://www.wssc.vic.edu.au/?p=107>

CSEF (Camps, Sports and Excursion Fund) Update

CSEF payments to schools commenced on 17 July, with further payment runs to occur regularly during term three. Schools are able to accept and process CSEF application forms up until the end of term three (18 September 2015).

Red Carpet Youth Awards

Congratulations to everyone involved with this year's Wodonga City Council's Red Carpet Youth Awards. It was a truly inspirational night. The presentations were held on Friday night to a capacity audience at the Cube. Our community is unique in recognising the achievements of its young people this way.

Our students both past and present were well represented amongst the finalists and won a number of the ten award categories. Thank you to the staff who nominated them and spoke to their nomination in the video clips shown prior to each category being announced. Take time to congratulate the following students on being a finalist or winning an award, Addison Jones, Emily Woolford, Jeremy Bahr, Lachlan Lewin, Molly Bellairs, Cody Blockley (FLC), Danni Good, Ashley Whitehead, Philip Stahl, Tyler Scott, Nick Fitzsimons, Mitch Walker, Josh Lovett (FLC), Jason Hyatt, FLC Hospitality Students and the Student Leadership Council. Jacob Mildren was awarded the Youth Ambassador for 2015.

Congratulations also to our students who were members of the organising committee Paige Deery and Katie Hilditch— who did a fantastic job being MC for the evening.

SENIOR GIRLS HOCKEY

After period 1 Wednesday morning the Senior Girls Hockey team were off to Albury to compete in the Hume Hockey championships. The girls got to watch their two opposition team playing with Rutherglen High School were very strong, beating Benalla College 12-0.

With a warm up on a chilly day completed we were ready to verse Benalla, Kayley Boye and the team voted to have a game without a goal-keeper leaving 1 extra player on the field. With a tough match, the girls learned the rules and overall about the game. Unlucky to not get a goal it was a 0-0 result. Best players included Renae McPherson and Tia Beveridge

With a 15 minute break we were than playing last year's state champions Rutherglen High School. We again did not have a goalkeeper. Within 15 seconds Rutherglen had scored. With great spirit WSSC kept fighting getting excited when they stopped a ball from getting into the goal. The end result was 10-0 we thank the Rutherglen High School for their great spirit also giving us their goalkeeper, also a big credit to Sarah Kaindl one of our girls who will have a very nice bruise on the back of her leg. Best players included Kayla Gorka and Renae McPherson. Overall WSSC were announced as Runners Up of the Hume Championships.

The girls thank Miss Hayes for taking them and she already says this team is playing next year, because they are a great bunch of girls. Also thank you to Maddie Wheeler for taking training sessions at lunch time and Mr. Whitehead and Mr. Bowey for driving the buses.

Well done to-Kailyn Casburn, Destiny Vinecombe, Tia Beveridge, Simone Holley, Nikoline Bukvic, Maria Toovey, Kayla Gorka, Sarah Kaindl, Renae Mcpherson, Maddie Wheeler, Kayley Boye and the Rutherglen keeper Tahlia Simpson

CAREERS NEWS

Would like to work with boats and the marine environment? The Boating Industry Association of Victoria has developed a fantastic careers guide that highlights employment, education and training opportunities in the industry. The potential to develop your career is endless, from small craft construction to super yachts, engine repairs to sails, marine equipment to marine electronics, marina management to marine tourism. Download the guide here <http://bit.ly/1DpIdDT>

Interested in industrial design? RMIT industrial design students have positioned themselves as leaders in their field after blitzing the International Bicycle Design Competition in Taipei. Five students from the Bachelor of Industrial Design (Honours) have been awarded accolades for their contemporary bicycle designs. The third-year students submitted concepts designed during their Cycle Futures Lab studio at RMIT, which explored the shifts in the small parts automotive sector. Go to this link for information about the course <http://bit.ly/1VkdWxc>

Have you considered pharmacy as a career? The Faculty of Pharmacy and Pharmaceutical Sciences at Monash University has launched its digital magazine, *Alchemy*. It contains stories and commentary on the education and research at the pharmacy school. The digital magazine allows readers to learn more about the Faculty through interviews and video. *Alchemy* can be viewed here- <http://bit.ly/1CL8Kko>
