PRINCIPAL'S REPORT

Welcome Back!

I hope everyone has had some time to relax over the last two weeks. As you would be aware a great deal needs to be achieved in a very short time as we bring 2015 to a close and fully prepare for 2016.

Thank you to everyone who has worked over the holidays to help our VCE students prepare for the final exam season which is only about three weeks away. Your efforts are greatly appreciated not only by the students but their parents as well.

Welcome back to Eric Saros and thanks to Jools Bloom for her work in the Art rooms over term 3

A special welcome back to Pam Oakes. Pam will take on the responsibility in term four of developing a program to assist new arrivals with no or limited English. Andrew Box has also decided to finish up in his role as International student marketer for the College and hand that role over to Pam in the first few weeks of the term.

Our thanks to Andrew for all the work is done over a number of years in the international education arena. We once again wish him a long and happy retirement.

Student ID Cards

The new gate next to Galvin Hall has been setup to allow students to use their ID card to enter and exit the school. **The College policy for leaving the school grounds has not changed and you must have written permission from a parent or guardian to leave the school grounds.**

To enable your 2015 Student ID card to work, you will first need to enrol your card into the gate system, instructions on how to do this can be found on the College website:
