Evacuation Drill

To ensure that both staff and students know what is expected of them in the event of the College being evacuated, we will be holding an evacuation drill at some stage during term 1. As part of this drill an automated SMS will be sent to the parents and guardians of the students at the College. In the SMS message it will specify that a drill is being conducted and that no further action is required. In the event of a real evacuation of the College this SMS message will reflect accordingly.

GPA Scale and Distribution

This year the GPA student progress scale will now be measured on a 0 to 4 scale opposed to the previous 1 to 5 scale. Every student can achieve a GPA of 3.0 or above regardless of their academic ability. The first GPA will be distributed on the 22nd March with student progress interviews held on the following day, 23rd March.

Alongside the traditional swimming events, students also enjoyed participating in the novelty events. These included volleyball, staff and student relays, ironman and ironwoman competitions, Year 12 bombing competition and fashions on the field.

I would also like to take this opportunity to thank Derek Bowey and his team for organising such a successful event and to the staff for running the events on the day.

The final house scores for the day were:
