Principals Report

2016 Athletics Carnival

The 2016 Wodonga Senior Secondary College Athletic sports will be held on Friday 18th March at the Wodonga Athletics track. Students are encouraged to be sun smart at the event and Slip Slop Slap. For a 9:00am start students will need to arrive at 8:50am to be signed in by their Year level coordinators.

Mini Exam Period

All students (Year 10, 11 and 12) should have an end of term exam in each of their subjects next week (last week of term). These take place in your normal classroom with your class teacher. The six exams are spread over Monday, Tuesday and Wednesday so that there are two exams each day.

Exams are on:

Mon P1 Tues P1 WedP1
Mon P4 TuesP3 Wed P3

Whatever subject you have in that time is the exam you have. Students doing a Trade Training subject will need to ask their teacher for their individual times.

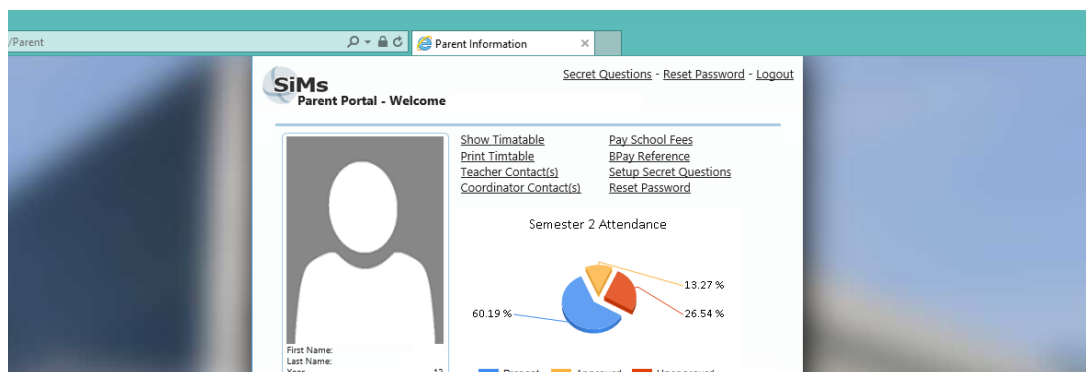

Student Progress Interviews

The first round of student progress interviews will be held on Wednesday March 23rd. Students will receive their GPA 1 reports on Tuesday 22nd march, this is a fantastic gauge for how your students is progressing in a particular class and should be discussed when meeting your child's teachers on the night. Traditionally the GPA report shows your students' progress from a scale from 1 to 5, this has been now changed to a scale of 0 to 4 to better reflect the outcomes for a particular class. Regardless of academic ability your child should have the ability to obtain a result of 3.0 or above.

Parent Portal

The College utilises a Parent Portal to allow Parents to pay subject fees, view College Newsletters, view student coordinator contacts, parent approve attendance and view and download student reports.

Shortly after the distribution of student GPA reports on Tuesday 22nd March the reports will become available to parents via the Parent portal. If you are unsure of how to use the College parent portal you are advised to take a look at the documentation available on the College website: http://www.wssc.vic.edu.au/?page_id=7689

Every Student, Every Opportunity, Success for All

Physics at Luna Park

On Tuesday 1st March WSSC Year 12 physics students travelled to Luna Park Melbourne to experience the forces first-hand that they had been discussing in the classroom. The students from WSSC joined students from Catholic College Wodonga and Beechworth Secondary College at a Physics at Luna Park day run by the Australian Institute of Physics.

Maths/Science Coordinator

Bogong High Plains Excursion

On Monday February 29 the Year 11 Outdoor Education class went on a two day Bogong High Plains bushwalk. This excursion is one of many that the students will participate in as part of the subject.
