## Principals Report

### Semester 2 Begins

Welcome to semester 2. We have two weeks of classes left prior to the Term 2 holidays to make a successful start to your second semester studies. Please ensure that you effectively utilise these two weeks

During this time it is an expectation that students will come in full school uniform and attend all of their classes.

### Mid-Year Enrolments

The College is now taking mid-year enrolments, for more information and to find out where Wodonga Senior Secondary College can take you, visit the College website: <http://bit.ly/EnrolAtWSSC>

### Student Progress Interviews

A reminder to all that the second of four student progress interview nights will be held on Thursday June 23. The semester reports will be distributed to all students on Wednesday June 22. Parents and guardians are encouraged to discuss their students results with the appropriate teachers to ensure that the students will have a successful second semester.

### Vietnam Students Visit Wodonga

In the first two weeks of Term 3, 28 students from Hanoi will be staying in the Wodonga area. Eight students will be involved with the College. The other 20 students will be at either the Wodonga Middle Years College or local Primary Schools. The option for a two to three-night billeting experience will be available to the students to stay with a local family. If you are interested in participating in this, please contact Pam Oakes before the end of this term.

## Robotics at WSSC

Year 10 Robotics students have finished a great semester of learning by making some line following and object avoiding robots. The students assembled the robot and programmed it as part of their class.

## Careers News

### Interested in health, IT and business?

You may enjoy a career in health information management. According to La Trobe University, "there is a national workforce shortage in this industry, which means graduates are in high demand. Salaries range from \$50 000 - \$180 000 at senior level". The course at La Trobe University is called the Bachelor of Health Sciences (Medical Classification)/ Bachelor of Health Information Management. Find out more at this link: <http://bit.ly/1Uvhddl>

### Are you interested in apprenticeships and traineeships?

To find apprenticeship and group training companies in your local area, go to <http://bit.ly/1OI8nmd> and use the search facility. You will be able to contact the companies listed to discuss your options in obtaining an apprenticeship or traineeship in the future.

### Passionate about wildlife conservation?

Over 5-months, Christina Choate drove over 30,000km around Australia to create a 6 part documentary about Australian wildlife. The documentary has a focus on wildlife conservation and how Australian animals have evolved over time. To watch the first part of the series, go to: <http://bit.ly/1UqwhJb>

For more information, contact the College Careers team.
