Principals Report

Welcome Back

I hope everyone has had an enjoyable and relaxing break. This term, often referred to as the “work” term because we are faced with the importance of providing the usual high standards in our teaching and learning as we help all students successfully complete the majority of the semesters program with few interruptions. As there are effectively 13 weeks of teaching left to complete VCE Unit 4 this will all happen very quickly.

Thank You to Staff

Thank you to all staff who have prepared for term 3. Many have spent hours/days at home or school preparing. We have also erected some School banners promoting the College on the Brockley and Woodland street fences.

Using Social Media with your College

Before posting something online about your child’s school ask yourself:

- Am I being a good role model for my child?
- Will this information reflect badly on me?
- Does the school community or individual really need to know this information?
- Is this information relevant, helpful and positive?
- Will this information upset or embarrass the school community or an individual?
- Am I making a situation worse?
