If you know of any students who may qualify for this payment would you please ask them to see the front office staff.

Health & PE Week
This week is Health and PE week, a week where we take the time to think about our own health and how we can improve it by getting involved in physical activity and eating well. We should also think about our mental health and try to de-stress whenever we can. Many of the staff at the school will be organising a range of different health-focused activities and students are encouraged to come along and get involved with these activities.

Please see the posters, which arelocated around the College, for further details. There are a number of different staff running activities that will appeal to all students, such as Yoga, meditation, downball, basketball, table tennis and giant jenga are just some of the great activities on offer! Please take lots of photos and remember to #HPEweek16 to share your experiences! Thanks once again to Jess Harris for coordinating this years events.

Dance Showcase

On Tuesday 13th September VCE/VET Dance held their performance assessment showcase in our Performing Arts Centre (PAC), a mixture of jazz and contemporary items showcasing the talents of our dance students in solo and group items. This year 70% of the items were choreographed by the students themselves.

Students that have completed either the VCE or VET Dance courses at the College go on to work as teachers in local dance schools or to further education and jobs within the entertainment industry.
