Kaleidoscope 2016

Congratulations to everyone associated with this year's VCE Art exhibition opening on Friday night. Thank you to all the Art staff and others who helped to present another successful Year 12 Art Exhibition. It is wonderful to see the finished works that our many talented students have been working on with the support of their teachers. The facilities represented include Year 12 Art (General), Studio Art (Photography), Visual Communication and Media. Students work along with their folios become part of their submission of work for their final assessment. Congratulations to all the students and their teachers Erin Dixon, Jenny King, Jessi Muston, Eric Saros, Linda Fish (FLC) for assisting students and for assembling the exhibition. Thank you also to the VET Hospitality students and staff for catering this evening. Finally thank you to the Administrative and Library staff for their support.

Year 12 Student's Last Week

This week will see the end of formal classes for Year 12 on Wednesday October 19th. A whole school assembly will be held in Galvin Hall at 9.00am on Thursday for the school to say farewell and to wish them well with their future endeavours, memories, as a group, of their time at school. Students will then either leave the school or remain in the library or Yr 12 study centre if they are relying on a bus to get home.

No Year 12 students should be wandering around the college on Thursday.

On Friday evening we will be holding the Year 12 Valedictory at the Albury Entertainment Centre. We hope that this provides an opportunity for all students to attend.

Those students who are sitting exams will then be able to concentrate on this very important task, hopefully without too much distraction over the next four weeks. The first written exam, of course, is English and will be held on Wednesday 26 October.

Kaleidoscope Exhibition

The annual Kaleidoscope VCE and VET Art Exhibition was held last Friday the 14th October in the Library. The event showcased the talent of our VET and VCE Art students at the College, giving the students the opportunity to share their artwork with the College community after working on it throughout this year.
