As a principal I am often asked by parents:

How can I as a parent help my child to do well at school?

Behind the children who do their best at school, work happily at their studies and are involved in school activities, are supportive parents who understand the importance of the home-school partnership. Older students may not seem as keen as younger children to see their parents at school but they still need your support and help if they are to make the most of their abilities and do well at school.

House Sport Meetings

Today students rallied in their house sports teams in preparation for the two upcoming house sporting carnivals, with the first held at the WAVES swimming complex on Friday February 24th. This will be followed by the Athletics carnival held on Thursday 30th March. Indigo has taken the victory in the past four House sport competitions and have their eyes set on winning a 5th at this years swimming carnival.

Extreme Weather

Recently, we have experienced some extremely hot days and it is imperative that all of our students and staff take care on these type of days, sit in shaded/cool areas, keep hydrated, limit physical activity and look out for one another.
