Every Student, Every Opportunity, Success for All

Principals Report

Missed the Subject Information Evening?

The College held an open night last Thursday August 10th in the Trade Training Centre. This was an opportunity for parents and students to consult with Teachers and current students from across all subject areas about making an informed decision about subject preferences and career pathway development. If you had missed the event or would like more information contact the College on: (02) 6043 7500 and speak to David Whitehead, the Assistant Principal of Transition.

The College Strengthens Collaborations with Vietnam

The Asia Education Foundation has been supporting Australian schools through the Building Relationships through Intercultural Dialogue and Growing Engagement (BRIDGE) project, to connect Australian teachers, students and school communities with their counterparts across Asia.

Wodonga Senior Secondary College has been selected to participate in this project again in 2017, joining with Trung Vuong Lower Secondary School, and School Principal Ms Trần Thị Thanh Thảo, to strengthen the relationship between the two schools.

As participants in the 2017 ASEAN-BRIDGE Project, teachers from both countries will participate in a professional learning program, designed to build teachers' Asia capability through school partnerships to:

- Develop intercultural understanding
- Improve language skills in Bahasa Indonesia
- Enhance Information Communication Technology (ICT) skills
- Establish sustainable school partnerships and a community of learners.

The ASEAN-BRIDGE Project provides opportunities for teachers and students to partake in a range of collaborative learning activities designed to enhance students' language skills, while further building on the attributes needed for success in the 21st Century.

EAL Ski Trip

On behalf of Wodonga Senior Secondary College's Multicultural Peer Support student group, I would like to give a huge thank you to Falls Creek Resort Management, Falls Creek Coaches and Howmans Gap YMCA for inviting and sponsoring EAL students for their Falls Creek experience on Thursday 3rd August.

The students had an amazing time and just loved the snow and learning how to cross country ski. This is our 5th annual trip and it is a real highlight for the year for the group. Thank you Nicole Jasinowicz, Lyn Zhang, Steve Garro, Teju Chouhan and volunteer Jeremy Norton for helping supervise and teach students to ski.
