National Day of Action Against Bullying and Violence

Friday 16th March was The National Day of Action against bullying. This National Day is a positive day of action, bringing school communities together to help find workable solutions that address bullying and violence.

Our College stands committed to the anti-bullying message and will continue to work hard to educate our students about this issue.

China Study Tour

Our College is proud to be part of the international learning city, this attracts many students from all over the globe to our vast opportunities and educational pathways through primary, secondary and tertiary government education providers in Wodonga.

Over the weekend seven students from our College have travelled to China, visiting five cities across the country. The students departed for their 17 day study tour on March 16th and will experience the sights of many historically significant locations including the Great Wall, Summer Palace and Tiananmen Square and gain a greater cultural understanding.

Our College is passionate about providing young people the knowledge and opportunities to embrace international education as they are entering a world that has fewer boundaries and is more global in outlook than ever before.

Careers at Wodonga TAFE

Students had the opportunity to attend a workshop event at Wodonga TAFE on Friday, where they participated in a hands on workshops across various fields.

This provided students an opportunity to experience training in various fields of study that they were interested in perusing after their time here at the College. The group rotated through the various workshops over the day and provided a hands on introduction to the field, giving students the ability to ask questions and learn from course instructors at the TAFE.

Upper Hume Tennis and Volleyball

Friday the 16th March John McVean and myself travelled down the Hume Highway to Wangaratta with the Volleyball and tennis teams. The regional Tennis day we took 3 teams, intermediate boys, senior boys and girls. The teams played with the great WSSC spirit and represented our College with the upmost sportsmanship. It was a great day out, no teams moved on to the next level, however new friendships were made.
