

2nd April 2019

Dear Parents/Guardians,

Please be aware that there has been a spike in the reported cases of gastroenteritis at the College today. All students who have reported to us as being ill have been collected by their parents.

Information on Gastro can be found at the VicHealth website:

<http://www.health.vic.gov.au/edfactsheets/downloads/gastroenteritis.pdf>

The College requests that students with cold or flu-like symptoms or vomiting or diarrhoea are encouraged to seek medical attention, limit contact with others and stay at home until symptoms have passed.

Good general hygiene remains the best defence against infection and we encourage students to regularly wash their hands and cover their nose and mouth if sneezing and coughing.

If you have any questions or concerns regarding this matter please contact the college on 60437500.

Regards

Matt Moylan

Assistant Principal

Wodonga Senior Secondary College
