DOWNLOAD OUR NEW MOBILE APP

To increase access to functionality available on our School Portal, Wodonga Senior Secondary College has developed a mobile app. The app is available on both iOS and Android devices and will facilitate a greater level of communication between the school and parents. This will not replace our existing web version of the School Portal but will provide an additional method of accessing and managing the same features.

The mobile app enables parents to stay informed about their child's experience at our College and perform the following tasks:

- Approve and pre-approve absences
- View and download GPA reports
- Receive push notifications
- Approve and pay for student activities
- Pay for fees
- View teacher and House Leader contacts
- Review family contact information
- View school announcements
- Access your child's timetable

Downloading the App

Available on the Google Play Store and the Apple App Store, the app can be easily installed by simply searching for 'School Portal' in your app store. Click below for a link to your store.
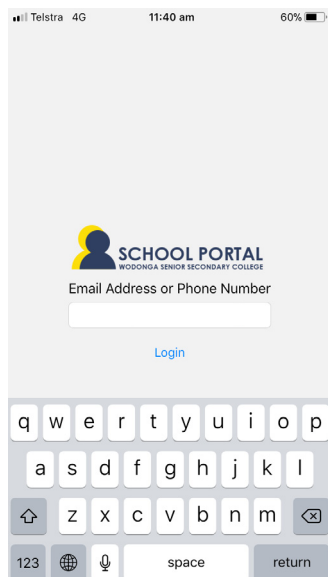

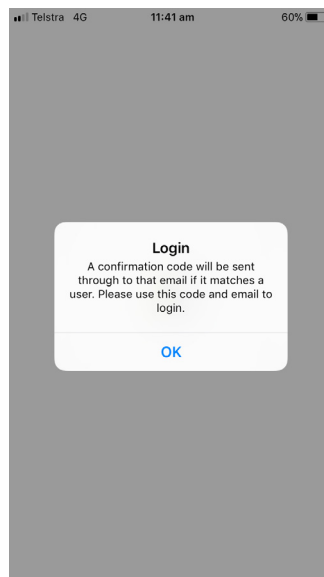

Logging in to the App

Parents are able to login to the School Portal mobile app using either their mobile phone number or email address that has been provided with their child's enrolment details. Please visit the College office to update this.

After downloading and opening the School Portal app, you will be asked to enter either your registered email address or mobile phone number into the field provided, followed by tapping on the 'Login' button.
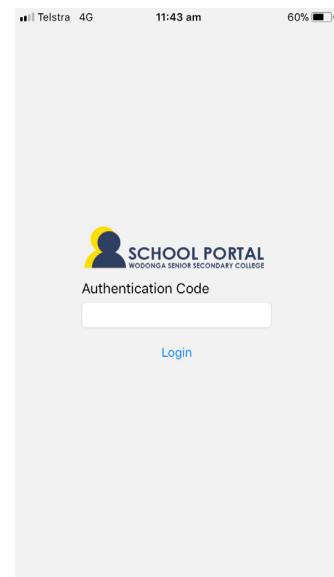

A six digit authentication token will be sent to the mobile phone number or email address used. Enter this number into the field provided within a five minute window before it expires and you will need to resend a new code.
