

## **Successful tender announced for New Dual Court Stadium and Upgrade of Galvin Hall At Wodonga Senior Secondary College**

Thursday, 26 August 2021

- \$8 million dual court stadium and upgrade of Galvin Hall about to begin
- Tender for construction and works now awarded with construction to commence within the month
- Both spaces to be operational in the second half of 2022

Executive Principal Vern Hilditch has today announced Joss Construction will build a dual court stadium and refurbish Galvin Hall into a Performing Art Centre.

The dual stadium will include toilet and change rooms, kiosk space, umpires' rooms, store-rooms, office and first aid rooms to facilitate the wider community use, as well as, a classroom and gym/weights area.

This announcement coincides with the 50 Year Anniversary of the opening of Galvin Hall. These works will repurpose the hall into a theatre space for college use and local and visiting productions.

Once completed, the \$8 million project will provide students at the Senior College and wider community a variety of spaces for indoor sports, theatre, dance and music.

The service refurbishment and construction are expected to be completed in the second half of 2022.

Quote attributed to Vern Hilditch:

"I am delighted to announce that the tender for this significant addition to the community facilities in Wodonga has been awarded to Joss Construction and building works will begin within weeks. The Senior College and wider community have been planning and working towards the construction of these facilities within the community for many years. I'm so pleased that we are one step closer to realising this".
