

## Year 12 VCE Online Workshop Series

Get study tips, learn how to revise and improve your VCE results. We offer workshops for secondary students from our ACU partner schools, community organisations and students living in regional and rural areas of Victoria.

### About our workshops

Take the stress out of your exam preparation by joining our free Online Webinar Series. Hear from experienced teachers as they walk you through how to respond to possible exam questions, get your head around class content to deepen your understanding and offer plenty of tips and strategies along the way.

### What subjects are on offer?

- English
- Further maths
- Maths methods
- English as an Additional Language
- Biology
- Physical Education

### What's included?

- Free two-hour online workshops including Q&A time.
- Workshops are delivered by highly experienced teachers with an in-depth knowledge of the curriculum and VCE marking.
- You will be guided through subject content revision to prepare you for the end-of-year exam.
- Access the webinars online from any device and watch as many times as you would like.
