

Dear Parents/Guardians/Students,

## **2024 Year 12 Jumpers**

The Year 12 students of 2024 will have the opportunity to purchase a personalised Year 12 Jumper. Year 12 Jumpers are individually personalised with the students surname and year on the back, and their first name on the front. The jumpers are a memento of Year 12, the student's final year of schooling and can be worn not only as Year 12 uniform, but for many years post school.

The cost of a jumper **will be \$105**. This is **not a compulsory item** to purchase and students may continue to wear their existing WSSC school jumper. A sample concept design is included on the back of this letter and has been emailed to all Year 11 students. Please note the final physical version may differ from the concept design.

All students interested in purchasing a Year 12 jumper need to understand that **nicknames will not be allowed on the back of the jumpers**, only surnames. It is strongly recommended that First Names are used for the front of the jumper if you would like your preferred name this must be listed on the Wodonga Senior Secondary College data base. A "Sizing Confirmation" document has been emailed out to all students, for those wishing to order a jumper this form must be filled out and handed to the front office, **Jumpers will not be ordered unless full payment and sizing form has been returned**. Sizing forms can also be collected from the front office.

Students interested in purchasing a jumper must pay the full amount (non- refundable) by the due date. Payment can be made via the Portal or at the WSSC front office **by Friday 18th August 2023** to be placed in the first order. Further orders will be determined by numbers and may not occur, arrival dates may vary. Jumpers can only be received once the full non-refundable \$105 payment is made. The first order of jumpers are expected to arrive towards the beginning of 2024, delays to this date may occur.

Please note, the Year 12 jumper is not a compulsory item, however, will form part of the 2024 uniform.

Payments can be made either at the school or via the Parent Portal.

Regards,

David Whitehead  
Campus Principal
