About us

The Albury Wodonga Aquatic Facilities comprise the four major aquatic facilities; Albury Swim Centre, Lavington Swim Centre, Wodonga Sports & Leisure Centre and Wodonga WAVES.

The facilities which are managed by Aligned Leisure are important community assets provided to the Albury and Wodonga community as part of the Two Cities One Community initiative.

Together, we will use our facilities as platforms to provide aquatic, fitness, health and sports programs and services to the residents of Albury and Wodonga. These programs will deliver upon Councils goals, in particular the municipal health and wellbeing plan.

At Aligned Leisure, we will put the customer at the heart of what we do and endeavour to make memorable experiences in each and every visit.
